## Strategy Description

The Fiera Apex Global Equity strategy is designed to deliver significant capital appreciation over time while also providing stability during market downturns. We seek to achieve this through a proprietary investment process that combines bottom-up stock selection with the identification of top-down global secular trends. Sector specific research and analysis identifies an appropriate combination of quality and growth in the portfolio.

✓ The strategy is also available with an ethical filter

Performance reflects the Fiera Apex Global Equity strategy managed by Fiera Capital Inc., converted to Canadian dollars and shown gross of management fees. This information is for illustrative purposes only and does not represent the performance of any specific account. The inception date of the Canadian Pooled Fund is September 30, 2024.

1. This information is provided solely for illustrative purposes. The theoretical performance shown prior to inception is hypothetical and was not achieved by any actual performance. It is based on a retroactive application combining actual historical returns from existing strategies – the Fiera Apex U.S. Equity Core, U.S. Large Cap Growth, and International Equity Strategies. The two U.S. strategies are equally weighted, and strategies weights are rebalanced monthly to match the U.S. and EAFE regional weights of the MSCI World Index. Theoretical performance begins since inception of the Fiera Apex U.S. Equity Core Strategy (January 1, 2016).
